- Registration: Pedigreed cats and household pets may be shown in TICA with a pending registration number. Points may be claimed after the registration number is assigned, but only for the first show where the cat didn't have a registration number in the catalog. Cats showing any evidence of fleas, mites, fungus or any illness will be removed from the show hall. In the case of disqualification by a veterinarian, the TICA rules state that all other entries owned or agented by the responsible exhibitor shall also forfeit their place and be removed from the show as well. Declawed cats ARE eligible for entry. Any cat that is obviously pregnant or lactating will be disqualified. HHP adults must be neutered. Please bring your rabies certificates!
